

REMARKS

The Office Action mailed July 23, 2004, contained a restriction requirement that alleged claims 1-13 were drawn to a flash memory cell and that claims 25-31 were drawn to a programming method (claims 14-24 were prosecuted in the parent application). Applicants have elected to pursue prosecution of claims 1-13, and have canceled claims 14-31.

Applicant reserves the right, however, to pursue the embodiments of claims 25-31 in a divisional application.

No fee is believed to be due in connection with this amendment and response. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to Deposit Account No. 20-0778.

Respectfully submitted,
